

## Global Citizens Educating Future Global Citizens:

Using Social Media for  
Environmental and Social  
Justice

Linda Ralston, Ph.D.  
University of Utah  
[www.LindaRalston.com](http://www.LindaRalston.com)

### TweetPoll

- How many attendees currently teach a course on global citizenship, social justice, or environmental justice?

<http://bit.ly/17KDIE8>

### Global Citizenship

- Internationalization
- Civic Education/Engagement

### Civic Learning

“Strengthening U.S. democracy, preparing globally responsible citizenry, developing personal and social responsibility, and promoting global learning and diversity.”

(Association of Am. College & Universities)

### International Requirements

- Do you have a core requirement requiring international awareness, global citizenship, or related values?

## Blog Hosts

- [Weebly.com/](http://Weebly.com/) WYSIWYG Drag & Drop Editor, Free, Privacy Options
- [edublogs.org/](http://edublogs.org/): WordPress powered blogging for educators.

The slide features a blue background with a green globe on the left. It lists two blog hosts: Weebly.com and edublogs.org. Below the text are the logos for edublogs and weebly.

## TweetPolls

- Free! At <http://twtpoll.com/>

The slide features a blue background with a green globe on the left. It lists a free tool for creating polls. Below the text is a screenshot of the TweetPoll interface, showing a poll question, a poll creation form, and a poll result visualization on a smartphone.

## TweetChat

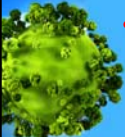

- Tweet your ideas for using social media as learning activities to #aln13

The slide features a blue background with a green globe on the left. It lists a hashtag for social media ideas. Below the text is a globe with various social media icons like flickr, YouTube, digg, twitter, facebook, reddit, yelp, and LinkedIn.

## Infographics

- [Piktochart](http://Piktochart): Drag-And-Drop Templates Galore
- [Easel.ly](http://Easel.ly): Theme-Based Drag-And-Drop With Objects
- [Tagxedo](http://Tagxedo): Word clouds customized fonts and shapes
- [Wordle](http://Wordle): Word clouds

The slide features a blue background with a green globe on the left. It lists four infographic tools: Piktochart, Easel.ly, Tagxedo, and Wordle.

## Resources

- See more references & links to free software applications on [www.lindaralston.com/](http://www.lindaralston.com/)

The slide features a blue background with a green globe on the left. It lists a website for more resources. Below the text is a screenshot of the Global Education website, which includes a globe and the text "Global Education Teacher resources to encourage a global perspective across the curriculum".
